Mr. Flickinger announced that Mary Ann Freidman from NJ School Boards Association will be at the next board meeting on September 12 at 6:00 to discuss the board’s self-evaluation.

**Committee Reports**

**Finance Committee**

Mr. Donato reported on the committee meeting held on August 8, where the possible new funding formula was discussed. The potential loss of state aid is about 46% and we stand to lose about $30 million dollars. To make this up each resident would see an approximate $3,000 tax increase. Some discussion ensued regarding the potential impact. Also discussed was the number of students leaving our district and the possible reasons they are going. The cost for these students is over $3.5 million dollars.
Community Relations Committee

Mr. McQuade reported on the meeting held tonight where the partnership with the Cumberland Reminder was discussed. They will give us four pages monthly for school news.

Facilities Committee

Mr. Beatty reported on the new bleachers and the status of upgrading Wheaton Field. A synthetic field is the last item on the renovation plan. He also reported on the number of students not staying in Millville. He went on to mention that we may need to close a school if the funding isn’t there. Some discussion ensued among the Board regarding the use of empty schools in four or five years.

Professional Review Committee

Mr. Pepitone asked for support on several job creations, and asked for support on several appointments.
